

## Wamego Athletic Booster Club

The Wamego Athletic Booster Club supports Wamego High School and Middle School sports teams through financial gifts and as a catalyst for community involvement in our school athletic programs. Our members include parents, district faculty and staff, alumni, businesses and friends. WABC raises funds through membership, fundraising activities, and sponsorships.

Athletic programs receive an allocation of funds raised that flow directly into those specific athletic program accounts at the school. Coaches do not have to apply for funds, rather they will automatically receive funding for their programs based on participation of student athletes.

Check out our web site at [wamegoathletics.com](http://wamegoathletics.com) for more information and follow us on Facebook and Twitter!

**Wamego Athletic Booster Club Family Membership is just \$50 a year!**
