

About WABC

The Wamego Athletic Booster Club supports Wamego High School and Middle School sports teams through financial gifts and as a catalyst for community involvement in our school athletic programs. Our members include parents, district faculty and staff, alumni, and friends. WABC raises funds through membership, fundraising activities, and sponsorships.

Athletic Programs receive an allocation of funds raised that flow directly into the Athletic Programs individual school accounts. Coaches will no longer have to apply for funds each year, rather they will automatically receive funding for their programs through your generous donations and involvement in fundraising activities!

In addition to financial allocation to each sport, WABC funds/organizes:

- Summer weights programs (open to all athletes)
- Scholarship awards (must be a WABC member for at least 2 years to qualify)
- WHS Homecoming celebration
- Coaches picnic
- Hall of Fame inductions
